

CALIFORNIA LEGISLATURE—2025-2026 SIMULATION SESSION

SENATE BILL

NO 75

Introduced by Senator Archuleta

October 8, 2025

This bill will work to assure that US veterans have the guidance to all resources that may help them after completing time in the armed forces.

LEGISLATIVE COUNSEL’S DIGEST

SB 75, as introduced, Archuleta. Veteran Resource Navigator Act.

In the state of California at the moment, state agencies are not required to have direct access links on their webpages with information that is of concern to veterans such as benefits, resources, etc. All information about things that may help thousands of people are sometimes very hard to find, or even hidden.

My bill would mandate that state agencies such as DMV, CalVet, EDD, and others must provide a “Veteran Resource Link” on all their websites. This would also mandate that each county’s CVSO offers semesterly group orientation meetings in person or virtual, that go over benefits, mental health services, and job programs. My bill is backed by CalVet, the American legion, and AMVETS
